BRAC, Global Policy Language, and Women in Bangladesh ...
In BRAC, Global Policy Language, and Women in Bangladesh, Manzurul Mannan—while not denying the many positive accomplishments of BRAC—places the organization under a critical microscope. Drawing on his experience as a Bangladeshi native and BRAC insider, Mannan provides unique insights into not only BRAC’s phenomenal growth and its role in diffusing western and development ideologies but also, more importantly, how target populations have been affected culturally and socially.

BRAC, Global Policy Language, and Women in Bangladesh ...
The idea of a shifting “global policy language” is central to the author’s analysis, which is a distinctive contribution of the book. There is also a valuable discussion of the research methodology used, the relationship between anthropology and development, and the role that “applied” NGO research plays in the life world of an NGO.
