Twenty-five persons contributed to this book, and their expertise is evident by the content. One of the best books I have seen on veterinary nursing, it does need a tiny bit of translation from British terminology to American for the USA audience. As stated in the title, this is for the instruction of advanced nursing skills.

BSAVA Can. Fel. Nursing 2nd Ed.

The curriculum reflects the demands on the Irish veterinary nurse in practice by incorporating teaching on small animal (including exotics), farm animal and equine nursing. During the first two years, students spend an average of 30 hours per week attending lectures, tutorials and practicals on all aspects of veterinary nursing, including classes:
